Greetings:

Given the ongoing public health situation, scheduling of our 2021 Women's Day Project Offering Luncheons is being considered on a "wait-and-see" basis with the hope that some form of gathering will be possible before the end of the year. In the meantime, your support of our 2021 Women's Day Project is solicited. The project will be a repeat of or 2020 Project to raise \$10,000 to assist in purchasing five additional electric bikes to be used to transport clergy in Cuba to their preaching stations.

We were delighted to have reached our 2020 Project Offering Goal to support this most worthy project and are looking forward to duplicating the results of this effort in 2021.

Your generous financial support is very much needed and appreciated and may be mailed to our treasurer, Mrs. Brenda Anderson, 121 Pandora Drive, Goose Creek, SC 29445. Please make checks payable to the Committee on Women's Ministry.

Yours in Christ,

Gale G. Hill, Chairperson
